I made contact with the principal, Melody Murphy, who advised she had a verbal altercation with a parent, Shirlee Edwards 10/10/1989. Murphy announced Edwards was acting belligerent and kept interrupting her. Both parties reported no physical altercation. I then made contact with Edwards, who advised she was upset that her child was suspended for two days and the other child was not suspended. Edwards announced she would change her child's school and stay away from the staff. No further.
