 I met with Alan O Smith 03/18/1982 who was on the sidewalk on the north side of the road. Smith advised he was just dancing and singing like he normally is seen doing. I advised him to stay off school property and he stated he would. I suggested he try not to draw attention to himself to avoid people from calling.

I made contact with Earl Knowles 10/07/1931, who advised he was walking to McDonald's and he tripped and fell. PCFR responded and evaluated Knowles. Knowles refused medical assistance. I later gave Knowles a courtesy ride to McDonald's. No further police assistance was needed and requested at this time.

Martinez Hurtado recorded the entire incident on her cell phone and was able to capture Pearsall's tag information. I went by Pearsall's residence and spoke with her about the incident. Pearsall stated she was sorry about what she did and that the incident was a misunderstanding on her part.

I met with the caller, Deisy Martinez Hurtado. She advised after picking her children up from school her daughter dropped a textbook down by her gas pedal. She stated she then reached down to pick up the book in doing so she swerved in the opposite lane. The driver of the vehicle on the opposite, Monica Pearsall pulled over and stopped in front of Martinez, and motioned for her to "fight her".

I requested his drivers license and it took him approximately 3 minutes to find it in his wallet. Based on the above-listed behavior I asked for consent to search the vehicle and he gave me consent. The search revealed nothing of interest. A records check of the tag revealed that it expired on 02/28/2022 (VIN 2C3CDXBG9FH776950) and had a seize tag order. The tag was seized and Arroyo was issued written warnings for the expired tag and tag light violation.

[12/17/2022 02:14:14 : MOB : 381]
While patrolling the area of Alexander St. and Mud Lake Rd. I observed a blue Dodge Charger bearing FL tag PDSB51 traveling westbound without any tag lights. Upon getting behind the vehicle, the vehicle changed lanes three times to keep me from being directly behind them. I initiated a traffic stop based on the tag light violation. Upon making contact with the driver, JERALDY MARCOS DIAZ ARROYO W/M 02/28/1990, he appeared nervous and struggled to answer basic questions.

 Met with Amia Helms who stated she is a coach at Plant City High School, and while at practice between 1600 and 1800 hours, someone stole her airpods that were attached to her key chain. Helms was unable to track her airpods at this time in an effort for me to help her find them. Due to the location of the incident being on school property and during a school event, Helms advised she would make a report with the School Resource Officer in the morning. No further assistance at this time.
